2020 - 2024
GITA AUTONOMOUS COLLEGE
B.Tech in Computer Science and Engineering
Percentage : 83.5%

2019
SRI CHAITANYA
Intermediate
Percentage : 68%

2017
DAV PUBLIC SCHOOL
Matriculation
Percentage : 74%

ACHIEVEMENTS

- 3 star on HackerRank
- Solved 150+ problems on different platforms
- Participated in Web-A-Thon, a tech event at IIT Kharagpur

PROFILE

Seeking an entry-level position in the field of computer science where I will be able to enhance my knowledge and skills for the development of the company and myself.

SKILLS

HTML , CSS , Core Java , JavaScript , SQL , React JS

INTERNSHIP

Web Developer Intern, InternPe

As a Web Developer Intern at InternPe, I gained hands-on experience in developing responsive and dynamic web applications using HTML, CSS and JavaScript. Participating in the full software development lifecycle, from concept and design to testing and deployment, under tight deadlines.

PROJECTS

Personal Portfolio

- Developed a personal portfolio website using HTML, CSS, Tailwind CSS and JavaScript, showcasing projects and skills with responsive design and interactive features.

The Acoustic

- Developed a website "The Acoustic", a platform for guitar enthusiast featuring beginner notes, chords and tabs.
- Integrated a user-friendly contact form for direct communication, showcasing skills in web development, user interface design, and content management.

Coding Contests Calendar

- A web application that works in conjunction with an API to offer a simple and effective means of viewing coding events.
- Provides users with a centralized platform to discover, track and participating in coding contest effortlessly.

Real Time Chat-Application

- Designed and developed a real-time chat application using React JS, integrating local storage for persistent messaging.
- Responsibilities including UI/UX design, state management with context API, and ensuring seamless navigation with React Router.
